# FOREWORD

Through the years to come as you leaf through the pages of the ole 1961 MUSTANG we hope a flood of memories will rush from its leaves and bring back to you happy memories of days gone by at Knobel High.

Yes, in this volume we have done our best to recall some of the most important happenings in high school. May it bring you joy on a reminiscent night in the future. We hope it will bind you closer to your present friends, that they may not be forgotten later on.

In these pages, we, the MUSTANG STAFF of '61, have tried to penetrate to the very core of ole K.H.S. and bring out all the beauty, joy, friendships, and studies that make high school days so rare and enjoyable. May this book make you more conscious of the worthiness of Knobel High and of yourself. With this objective in mind we proudly present to you:

## THANATOPSIS

So live that when thy summons comes to join  
The innumerable caravan which moves  
To that mysterious realm where each shall take  
His chamber in the silent halls of death,  
Thou go not, like the quarry-slave at night,  
Scourged to his dungeon, but, sustained and soothed  
By an unfaltering trust, approach thy grave  
Like one who wraps the drapery of his couch  
About him, and lies down to pleasant dreams.

# DEDICATION

C. R. Mason is a soft spoken gentleman who lives in our community. Seemingly, his greatest desire is to help youth to help themselves. He is most aggressive, eloquent, and effective when fighting for better educational advantages, for the youth of his community.

During his twenty-seven years as a board member of Knobel District he spent much time and energy in helping to employ better trained teachers, to build more and better equipped buildings, and to enlarge the district by consolidation that more subjects could be taught. His knowledge of school problems made him an effective champion for our school.

Because he has been tried and tested; because he has proven his friendship for Knobel High, we, the Mustang Staff, wish to dedicate the 1961 Mustang to him.

## THE ROSE STILL GROWS BEYOND THE WALL

Near shady wall a rose once grew,  
    Budded and blossomed in God's free light,  
Watered and fed by morning dew,  
    Shedding its sweetness day and night.

As it grew and blossomed, fair and tall,  
    Slowly rising to loftier height,  
It came to a crevice in the wall,  
    Through which there shone a beam of light.

Onward it crept with added strength,  
    With never a thought of fear or pride,  
It followed the light through the crevice's length,  
    And unfolded itself on the other self.

The light, the dew, the broadening view,  
    Were found the same as they were before;  
And it lost itself in beauties new,  
    Breathing its fragrance more and more.

Shall claim of death cause us to grieve,  
    And make our courage faint or fall?  
Nay, let us faith and hope receive;  
    The rose still grows beyond the wall.

Scattering fragrance far and wide,  
    Just as it did in days of yore,  
Just as it did on the other side,  
    Just as it will for evermore.

# FIRE MARSHALS

Larry Rouse, Sammy Richardson, Euan Lee Richardson and Carl Hatley

## PURPOSE OF FIRE MARSHALS

One of the purposes of the Fire Marshals is to protect the school from fire and keep it in complete safety. We inspect all buildings every month and make a report on our inspections regularly. We also see to it that all fire extinguishers are in good working condition. We also see to it that all extinguishers are properly placed.

We see that the school is drilled at least once a month for the purpose of safety from fire. Our fire signal is three short rings of the school bell. One of our goals for having fire drills is to cut down on time of evacuating the buildings. We strive to keep the school in safety from fire hazards at all time. So far this program has been a success.

Once a year the Fire Marshals and deputies attend a Fire Marshals Convention in order to learn more about the prevention of fires. Each officer or member has a badge, which designates him as a member of the Fire Marshal Program.

### ALMA MATER

Dear old Knobel High we love you,  
And we always shall be true to you,  
Like the brightest stars up above you,  
Our fellowship will live the long years through,

After high school days are over,  
Our loyalty to you shall never die,  
So until we're again together,  
Dear old Knobel High Good-by.

# IF

If you can keep your head when all about you  
Are losing theirs and blaming it on you;  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too;  
If you can wait and not be tired by waiting,  
Or being lied about don't deal in lies,  
Or being hated don't give way to hating,  
And yet don't look too good, nor talk too wise;

If you can dream and not make dreams your master;  
If you can think and not make thoughts your aim;  
If you can meet with Triumph and Disaster  
And treat those two imposters just the same;  
If you can bear to hear the truth you've spoken  
Twisted by knaves and make a trap for fools,  
Or watch the things you gave your life to broken,  
And stoop and build 'em up with worn-out tools;

If you can make one heap of all your winnings  
And risk it on one turn of pitch and toss,  
And lose, and start again at your beginnings  
And never breathe a word about your loss;  
If you can force your heart and nerve and sinew  
To serve your turn long after they are gone,  
And so hold on when there is nothing in you  
Except the Will which says to them: "Hold On!"

If you can talk with crowds and keep your virtue,  
Or walk with Kings nor lose the common touch;  
If neither foes nor loving friends can hurt you;  
If all men count with you, but none too much;  
If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the Earth and everything that's in it,  
And - which is more - you'll be a Man, my son!

Rudyard Kipling
